We're Packing a Picnic Basket

We're packing a picnic basket.
We're packing a picnic basket.
We're packing a picnic basket.
What do we put inside?

Apples and oranges,
Cherries, bananas,
That's what we put inside.

Hot dogs and bread,
Salad and chicken,
That's what we put inside.

Napkins and plates,
Spoons, forks, and knives,
That's what we put inside.

Away from the noise, away from it all!
Away from the city we go,
Away from the city we go!
Away, away, away, away,
Away from the city we go!

Riding Down a Country Road

To the city, say goodbye.
To the country, say hello.
Wave to cows and horses, too,
As down the road we go.

Riding down a country road,
Riding down a country road.

Over bridges, over hills,
Through tunnels we will ride.
Go into a tunnel,
Then come out the other side.

Past a field of yellow flowers,
Past a field of grass.
Apple trees and cherry trees
And rivers we will pass.

Up a hill and down a hill,
Along the riverside.
Through the forest, through the
woods,
And past a farm we ride.

Green Is Go

Green is go, go, go, go, go, go!
Yellow is slow,
And red is stop!

I won't get up! I won't get up!
No, no, no! I won't get up!
'Cause I don't like to work!

Which Way?

Which way, which way
Should we go?
I don't know
Which way we should go.
